FUNDING FOR TEXAS FAMILIES IN NEED

MCFS is a resource for families across Texas
when the urgent needs of children are unmet
or may be financially impossible.

We're here to bridge the gap with funding
for children's treatment & services.

For more than a century, MCFS has partnered with organizations, agencies and medical providers to assist families who turn to us for help. Our services include, but are not limited to funding and/or referrals for things like:

- Dental treatment
- Autism Therapy
- Eyeglasses
- Hearing Aids
- Food
- Caseworker intervention for families in distress/transition
- Home Pest Control
- Wheelchairs
- Casts
- Clothing
- Medical Assessments

Please contact us if you have any questions!
We are here to help!

Families asking for assistance need to complete an application (enclosed) for funding consideration by MCFS. The review process typically takes from 2-4 weeks, but can sometimes be expedited depending on the circumstances.

Sincerely,

Amy Kaufman
